LENT 2020 TRÓCAIRE NEWSLETTER

Did you know? Trócaire works with local partner organisation in over twenty developing countries with a focus on food and resource rights, women's empowerment and humanitarians response.

Trócaire was established in 1973 as the overseas development agency of the Catholic Church in Ireland. The Organisation was created as a response to the widening gap between rich and poor and our collective duty to reduce it. Trócaire work is rooted in Catholic social teaching, based on the belief that God has a plan for creation, a plan to build his kingdom of peace, love and justice. Around the world, families are living under constant threat of conflict, drought and land grads. In the face of these threats, many women hold their families together, battling enormous odds to provide for their children. Lent 2020 highlights the different ways in which women keep their families safe and protect their futures.

During Lent 2020 we tell the stories of Madris in Kenya and Angela in Honduras as a way to celebrate the strength of women all over the world who are overcoming the odds to protect and provide for their families.

Our parish "SUNDAY SCHOOL" will be launched on the First Sunday of Lent. It will be held each week thereafter during the 10.00 am Mass. The children will go to the Sacristy just after the Opening Prayer and return for the "Our Father".

Through story, drawing, drama and games they will be introduced to the life of Jesus as expressed each week in the Mass Readings, while being introduced as members of God's family gathered to thank and praise Him.

We are fortunate to have a team of six adults who have generously offered to guide the children each week. They are presently meeting and preparing to commence the project.

Others interested are more than welcome to join the team, after undergoing the required training.
