## Use your hand to pray

Draw round your hand on the back of this sheet and then draw or write down all the people you are going to keep in your prayers.

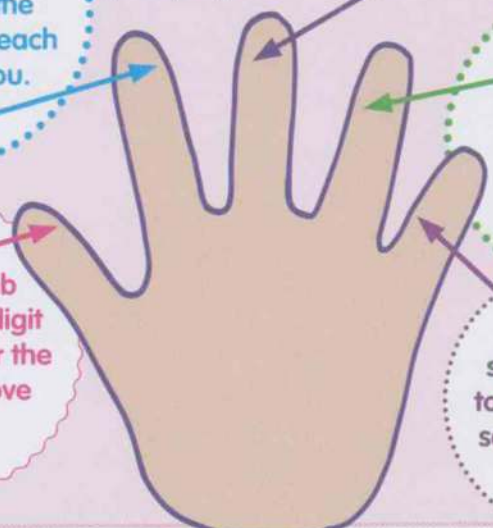

2. With your pointing finger, remember the people who teach and help you.

3. Use your tallest finger to remember the people who are in charge of looking after the country.

4. Your ring finger is the weakest! Pray for anyone who is sick or has problems.

1. Your thumb is the closest digit to you. Pray for the people you love the most.

5. Use your smallest finger to remind you to say a prayer for yourself!

## A PRAYER TO SAY

There are lots of different ways to pray. You don't have to use words. Try making models of your favourite animals to thank God for our wonderful world.
