Luke 24:13-35

## In the GOSPEL TODAY

### JESUS WALKS WITH ME!

As two sad disciples walk home, a stranger joins them. They talk about what happened to Jesus. The disciples invite the stranger to eat with them. When the stranger blesses the food, they recognise him – Jesus has been walking with them all the time!

### Message

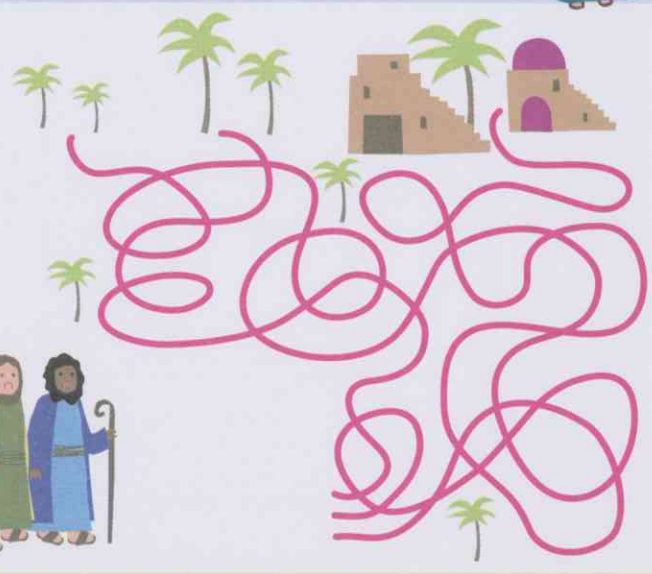

The letters in the footprints spell out an important message.

J \_ \_ \_ \_ W \_ \_ \_ \_  
w \_ \_ \_ \_ m \_ \_ .

### Maze

The two disciples were walking to Emmaus when Jesus joined them on the road. Help them find their way to Emmaus? Draw Jesus walking with them?

### Storytime

Two people walk along a road.

We can walk into a church.

They listen to a "teacher" explaining the scriptures.

We listen to the priest.

The priest breaks the bread and gives it to them.

We receive the communion bread. We are with Jesus, too!

The two people run back excitedly to tell their friends.

Draw yourself walking away from church chatting happily with friends.

### A PRAYER TO SAY

Thank you, Jesus, for walking with me every day. Amen.

### Finding Jesus

The two friends take a long time before they finally see Jesus. How many times can you see Jesus on this page?
